To friends at IRN Re-Use Network,

All of us at Teen Challenge would like to thank you, and your donor, for the amazing furniture donation. It is not an exaggeration to say that the generosity of this donation is truly overwhelming! We're so excited to be able to use these pieces to create comfortable living spaces in each of our current residential centers- the Oakland Men's Center; Alum Rock Women and Children's Center; Asbury Family Center; Reno/Sparks Adolescent Boys' Center; and Las Vegas Crisis Center.

In addition to benefitting our current centers, your donation will help us launch our upcoming Adolescent Girls' Center. We are currently purchasing and equipping this piece of property which will have a special focus on reaching girls, ages 12-17. Our vision for this home is to put hope within reach for survivors of sexual exploitation and human trafficking, enabling them to fulfill their God-given purpose in life and live in freedom from addiction.

Founded in 1960, Teen Challenge is a vital and unique ministry. With over 200 centers in the US, and 550 centers worldwide, God has been faithful to our vision of helping men, women, and families overcome their life-controlling problems. Your contribution is a wonderful example of how corporations can partner in this exciting work. Together we are truly providing help and hope for hurting people in the Bay Area and across the globe.

Once again, we wish to express our most sincere appreciation to you for your generosity. Donations like yours help us continue as one of the largest and most effective substance abuse recovery programs of its kind.

Kindest Regards,

*Lee Ann*
